

AQUADOR 35 AQ

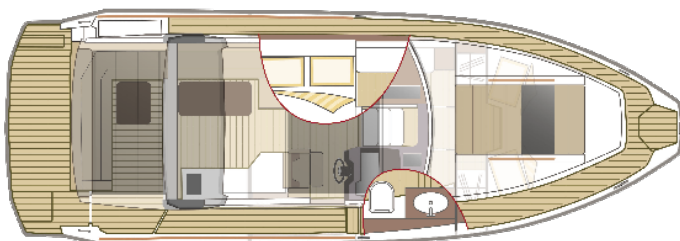

The Aquador 35 AQ features a modern Scandinavian design with a number of innovative solutions for boaters who can appreciate easiness of use, the feeling of space and high quality in every aspect. The boat has a spacious and modifiable cabin with an openable back wall, electrically operated skylight, large swim platform, practical side deck and a sliding door on starboard side and a large anti-fog double-convex windshield. Scandinavian heritage at its best!
