AXOPAR 37 T-TOP

The adventurous Axopar 37 T-Top will redefine your boating experience, whether you are looking for high-speed island hopping, overnighting or extended cruising. For driving in a diverse range of seas, its low resistance and twin stepped hull provides you with responsive handling at all times and ensures your passengers a comfortable and safe ride.

The Axopar 37 T-Top features a spacious and easily accessible walk around deck typical for an Axopar. It has very open and convenient cockpit seating with seven separate seats around a large sliding table, a comfortable sun bed on the fore deck, and a spacious aft deck area with an optional wet bar or aft cabin.

There is also a spacious and bright front cabin as standard accommodating 2 persons with a comfortable lounge chair and ample storage with integrated cupboards. For easy loading of gear into the boat it features a convenient cargo hatch on foredeck with access to the front cabin. The driver is greeted with a centre console layout with class best helm position for excellent visibility, communication and access around the boat.

AXOPAR 37 SUN-TOP

The cool and versatile centre console Axopar 37 Sun-Top, with an extended roof for even more protection from the elements and a huge canvas section to let in large amounts of sun into the cockpit. The Sun-Top combines flexible accommodation with a versatile layout and is one of the most adaptable boats on the market, filled with practical solutions.

By adding an optional wet bar or an aft cabin, that also doubles as a second sun bed, the Axopar 37 Sun-Top offers true versatility. It is centred around the sociable cockpit seating which is the focal point for al fresco dining and entertaining guests under the cool shade of the Sun-Top or under the deep blue sky by opening up the canvas roof. This fast, fun and capable all-round cruiser invites you to enjoy days out at sea together with friends and family.

AXOPAR 37 SPORTS CABIN

AXOPAR 37 SPORTS CABIN

The Axopar 37 Sports Cabin is a new sleeker, sportier interpretation of the fully enclosable Cabin model. A unique benchmark in affordable island hopping and fast, comfortable commuting.

The new Axopar 37 SC embraces the cool looks, sleek design and attention to detail of the other 37 models as well as their inherently fast, yet safe & stable ride thanks to the deep-v and twin-stepped hull configuration.

Apart from the new windscreen design the 37 SC features an electrically operated canvas roof as standard and also incorporates higher attention to detail in the upholstery and interior details with lacquered walnut wood interior, Niroxx upholstery with white diamond patterned stitching, a suede covered steering wheel to mention a few upgrades. The L-shaped settee with space for six people seated around a central table is carried over from the Cabin model.

AXOPAR 24

With the new exciting Axopar 24 day boating concept, consisting of three 24-foot models, we expand our product portfolio with a boat in the 7 meter market that is easy to handle, fuel-efficient and competitively priced. The 24 range boats are truly versatile bow riders with a fuel efficient twin-stepped hull and a protective and functional helm.

All models incorporate a bow section that offers versatile seating or a sunbathing area, comfortable twin sofas in front of the cockpit consoles that also double as berths for two persons and social seating for 5 persons in the cockpit. Two large fender storages are installed on the side deck in the aft, and an optional refrigerator is located under the co-pilot seat.

An extensive array of optional equipment can also be fitted, for example a water flush toilet, sun bed for the front deck, water-ski pole or canopies for prolonged time spent on the water.
