THE CORE OF BRABUS MARINE

As one of the world’s most iconic boat brands specializing in luxury products for markets around the world, BRABUS Marine focuses on several key principles:

PERFORMANCE – All of our boats are characterized by superior performance courtesy of the latest high-tech engine technology. Through an unwavering commitment to perfection and a pursuit to redefine the superlative, the BRABUS Shadow range offers exceptional in-class power, an unparalleled driving experience and endless “go-anywhere” capabilities.

LUXURY – Our dual-personality design ensures that our performance figures do not come at the expense of on-board luxury. We guarantee sophisticated comfort as well as exclusivity on and below deck designed for a selected group of boat owners who wish to enjoy only the very best boating experience.

FUNCTIONALITY – Beyond the right looks and performance, BRABUS Marine as a brand stands for accessibility, comfortable handling and unmatched drivability. Through a 100 % tech driven development approach, we combine functionality with ease of movement.

BRABUS SHADOW 1200 XC CROSS CABIN BLACK OPS SIGNATURE EDITION, U-SOFA

BRABUS SHADOW 1200 XC CROSS CABIN

This highly exclusive, new 45-foot size premium range knows how to deliver an unprecedented BRABUS experience on the water through dimension, power and an abundance of comfort, style and onboard usability. The BRABUS Shadow 1200 XC Cross Cabin is a fully enclosed cabin model, a true Grand Tourer of the ocean, which has absolutely everything and more, bringing next-level usability and versatility to the luxury boat segment. Effortlessly eating up miles while offering all-weather comfort and innovative social space for unlimited adventure at sea.

The BRABUS Shadow 1200 is unlike any other superboat of its size and a perfect match for those who want to renounce compromises and set a statement. Bringing together premium levels of onboard usability with unparalleled levels of versatility. With just a simple touch, seamlessly see the boat transform from an enclosed all-weather cabin to a fully open boat, perfected to deliver premium day and overnight boating experiences with nothing less than the highest level of BRABUS masterpiece luxury and attention for detail.

Truly impressive onboard this premium-luxury cabin cruiser, are the five massive social spaces onboard – the fore deck, helm, cockpit including the balcony doors, aft deck, and the front lounge with the gullwing doors. Next-level functionality especially meets style and comfort with the innovative, BRABUSIZED balcony doors: simply fold down the spacious side doors in the hull and extend your social and relaxation area amid-ship even further.

This truly is the most capable BRABUS shadow ever built, reaching entirely new heights of confident performance with the combined power of triple 400 HP Mercury Racing 5.7l V10 engines enabling top speeds of up to 55 knots, unmatched in the 45-foot size range.

At the helm, you harness this mesmerizing power in a clean, functional, uncluttered cockpit that is packed with the best in marine technology – from the Intelligent Steering Module that controls the bow thruster, trim tabs, and audio – to the innovative Simrad navigational touchscreen displays. The driving experience is further enhanced with Mercury’s JPO (Joystick Piloting for Outboards) joystick steering, including Skyhook and Mercury autopilot features.
